

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A REVIEW PURSUANT TO 807 KAR 5:058 OF       )  
THE 1991 INTEGRATED RESOURCE PLAN OF       ) CASE NO. 91-363  
THE UNION LIGHT, HEAT AND POWER COMPANY )

O R D E R

This matter arising upon petition of The Union Light, Heat and Power Company ("ULH&P") filed December 20, 1991 pursuant to 807 KAR 5:001, Section 7, for confidential protection of materials contained in the Technical Appendix to The Cincinnati Gas and Electric Company's ("CG&E") Long-Term Forecast Report filed as a part of ULH&P's Integrated Resource Plan on the grounds that disclosure of the information is likely to cause ULH&P competitive injury, and it appearing to this Commission as follows:

ULH&P, a subsidiary of CG&E, is engaged in the business of providing electric and gas utility service in Northern Kentucky. As part of the review of its Integrated Resource Plan, ULH&P has submitted CG&E's Long-Term Forecast Report including as a separate volume a Technical Appendix to that report. The petition requests confidential protection of information in that report, but does not specify which information ULH&P deems entitled to protection.

807 KAR 5:001, Section 7, provides the procedure for obtaining confidential protection of information filed with the Commission. Subsection (2)(a)(2) requires a petition seeking confidentiality to identify the material sought to be protected.

The petition filed by ULH&P fails to do so and therefore the petition should be denied.

This Commission being otherwise sufficiently advised,

IT IS ORDERED that:

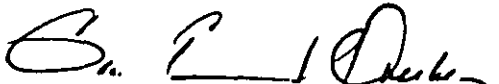

1. The petition to protect as confidential the materials contained in the Technical Appendix to CG&E's Long-Term Forecast Report, which ULH&P has petitioned be withheld from public disclosure, be and is hereby denied.

2. The information sought to be protected shall be held and retained by this Commission as confidential and shall not be open for public inspection for a period of 20 days from the date of this Order to allow ULH&P to file a supplemental petition in accordance with the procedure set forth in 807 KAR 5:001, Section 7.

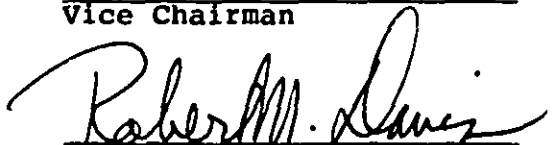

3. If at the expiration of the 20-day period ULH&P has not filed a petition in accordance with the regulation, the Technical Appendix shall be placed in the public record without further Orders herein.

Done at Frankfort, Kentucky, this 28th day of January, 1992.
